

Declaration of compliance with REACH Regulation (EC) 1907/2006 and with POPs Regulation (EU) 2019/1021

PacsOn International certifies that all products we market and sell, comply with the directives of REACH Regulation (EC) No 1907/2006 and POPs Regulation (EU) 2019/1021.

PacsOn International demand that our suppliers and manufacturers confirm that products delivered to PacsOn International comply with the REACH regulation and contain no substances of very high concern (SVHC) included in the candidate list or any substances in annex XIV and XVII. The same applies to annexes of the POPs regulation.

PacsOn International undertake to inform our customers if there are any changes in the compliance with the REACH regulation or POPs regulation.

The most recent updates about hazardous substances in the regulations of REACH and POPs are found at the Swedish Chemicals Agency's website www.kemi.se or at ECHA's website www.echa.europa.eu.
